

Fold a paper lotus

Production Time: 30 minutes each

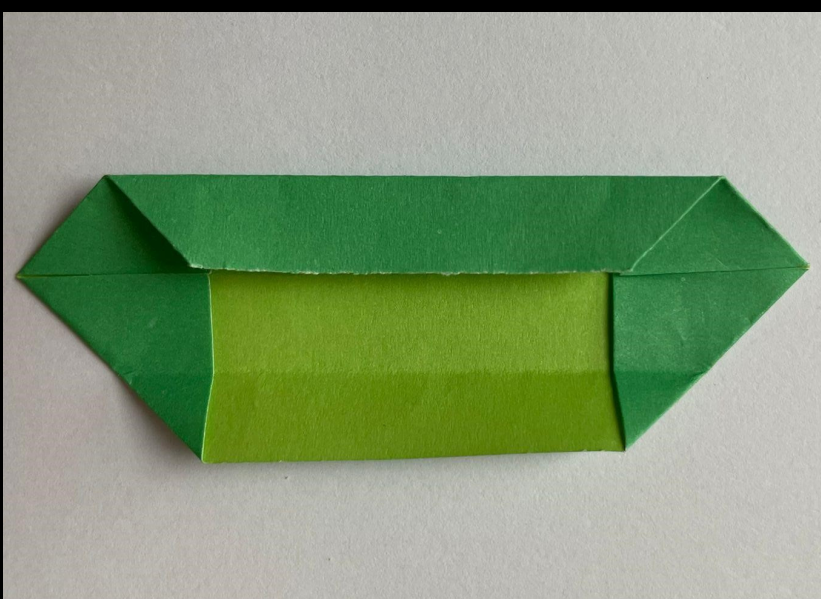

Materials: 12 rectangular pieces of paper (four pieces of each: dark pink, light pink and green paper
(Any paper size with same dimensions))

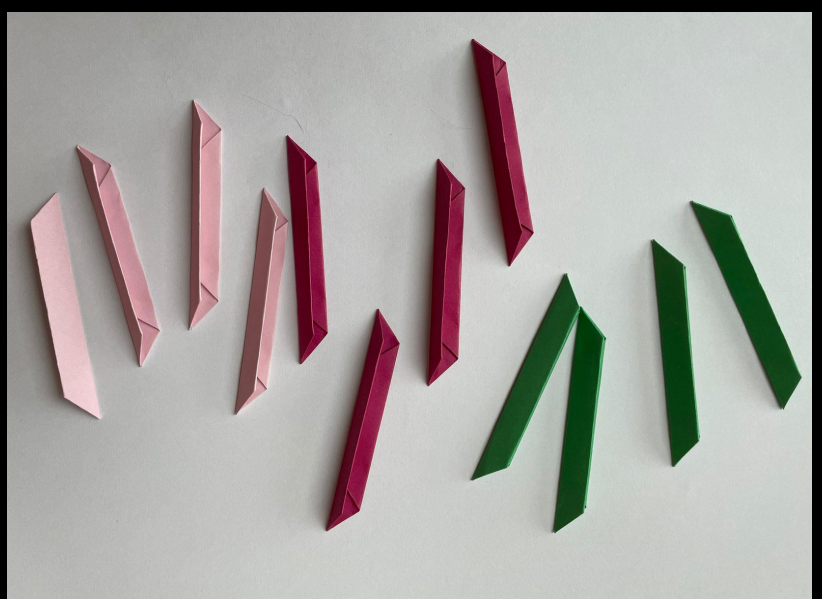

#01 Fold the piece of paper in half and open it out

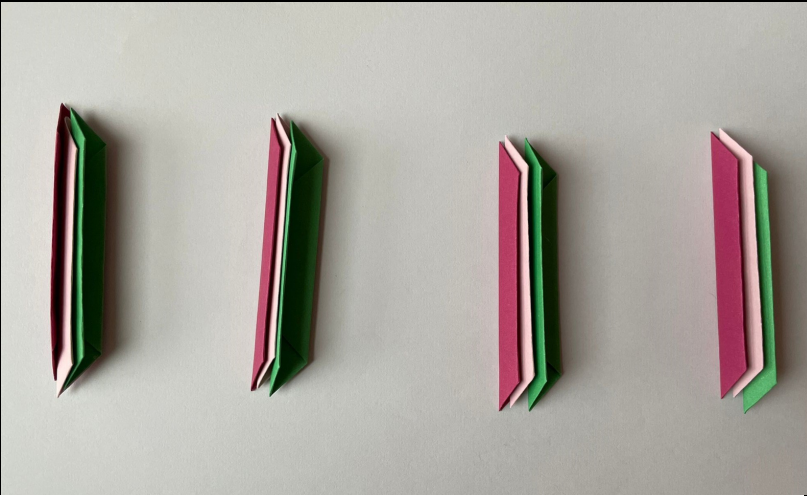

#02 Fold all four corners into the middle crease

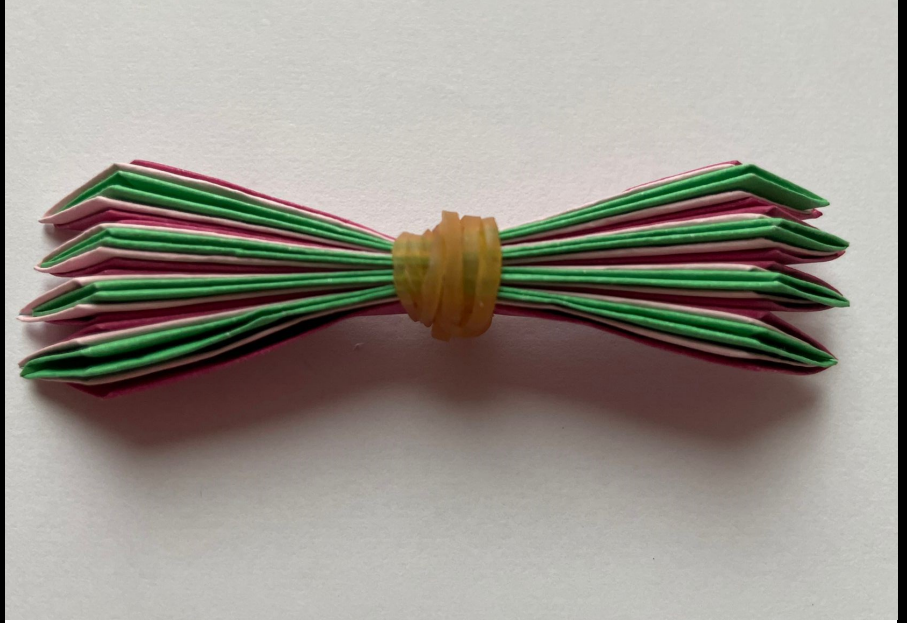

#03 Fold the center crease over again

#04 Repeat with all 12 pieces of paper

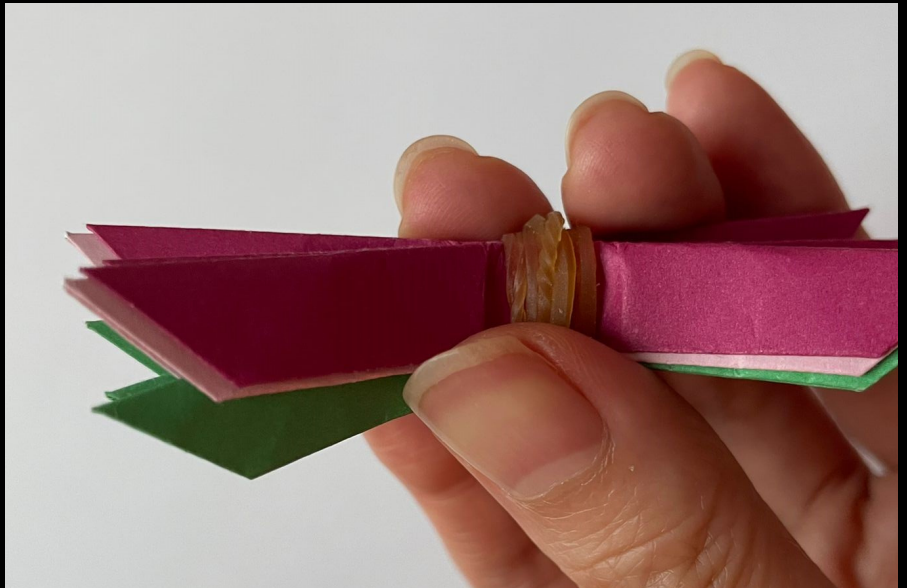

#05 Lay each of the folded colors inside of one another with the green on the inside. Then place the pinks in the bundles

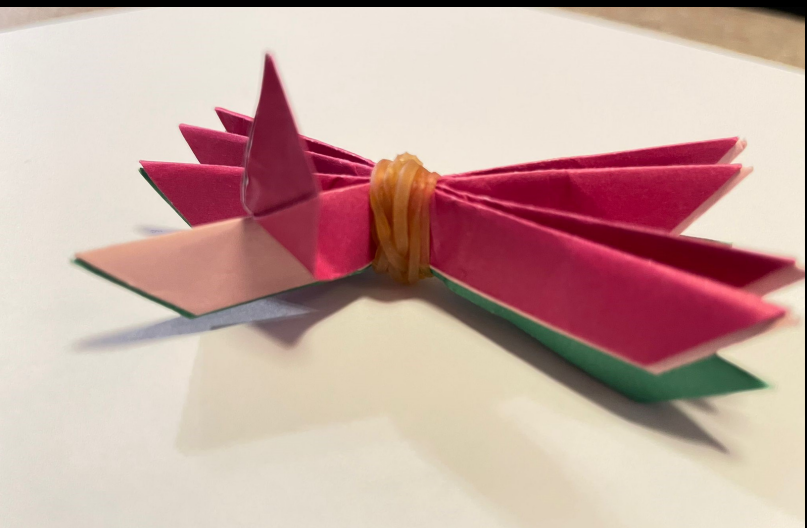

#06 Use a rubber band to "tie" them together

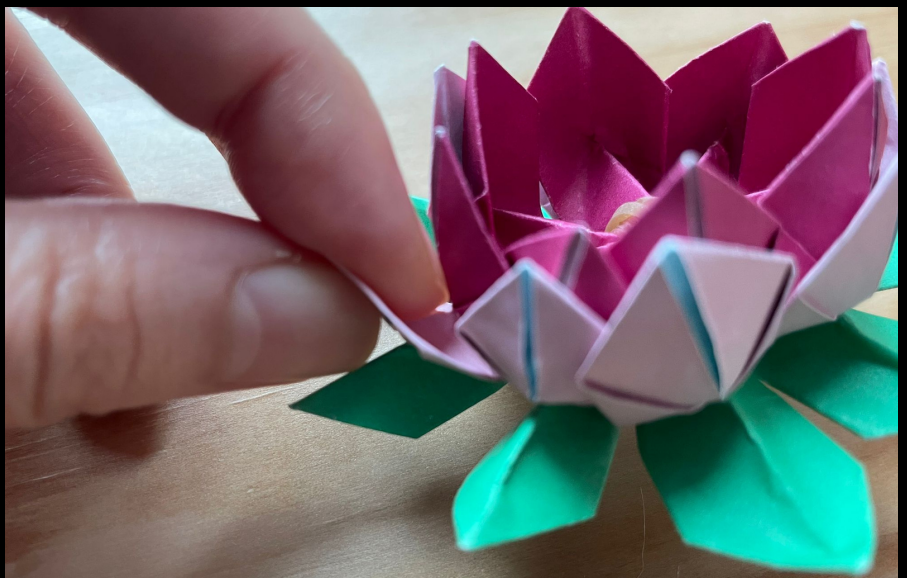

#07 Make an "X" with the bundles

#08 Separate the green petal from the bottom

#09 Bend the first layer of pink back over the middle of the "X"

#10 Bend the second layer of pink back as well

#11 Fold the green leaves down and slightly bend upwards

#12 Completed!
